

Local Government Transparency Code Statements

HENFIELD PARISH COUNCIL

FRAUD

Local Authorities must publish the following information about their counter fraud work

- Number of occasions they use powers under the Prevention of Social Housing Fraud (Power to require Information) (England) Regulations or similar powers
- Total number (absolute and full time equivalent) of employees undertaking investigations and prosecutions of fraud.
- Total number (absolute and full-time equivalent of professionally-accredited counter fraud specialists
- Total amount spent by the authority on the investigation and prosecution of fraud
- Total number of fraud cases investigated.

Henfield Parish Council has no staff members undertaking fraud investigation work and therefore has no information to publish.

GOVERNMENT PROCUREMENT CARD TRANSACTIONS

Local Authorities must publish every transaction on a Government Procurement Card:

The code requires that local authorities must publish details of every transaction on a Government Procurement Card. For each transaction, the following details must be published:

- Date of the transaction
- Local authority department which incurred the expenditure
- Beneficiary
- Amount
- Value Added Tax (VAT) that cannot be recovered
- Summary of the purpose of the expenditure
- Merchant category

Henfield Parish Council does not operate a Government Procurement Card system so has nothing to report.

PARKING ACCOUNTS AND PARKING SPACES

Local Authorities must publish on their website or place a link on their website to this data if published elsewhere:

A breakdown of income and expenditure on the authority's parking account which must include details of revenue collected from on-street parking, off-street parking and penalty notices.

Henfield Parish Council has no responsibility for, control over, or ownership of on street

or off-street parking and therefore no income from, or expenditure on, these items.

PAY MULTIPLE

Local Authorities are required under the Localism Act 2011 to publish the relationship between the remuneration of Chief Officers and that of other staff. Whilst including base pay, variable salary, bonuses, allowances (not provided at Henfield Parish Council), and cash value of benefits-in-kind (not provided).

It does not include pension benefits which, due to their variety and complexity, cannot accurately be included in a pay multiple disclosure.

The pay multiple at Henfield Parish Council, as at 1st April 2024 is: 1.367:1

SENIOR SALARIES

Local Authorities are required to publish (under the Accounts and Audit Regulations 2015) the following information with regard to senior salaries:

- The number of employees whose remuneration in that year was at least £50,000 in brackets of £5,000.
- Details of remuneration and job title of certain senior employees whose salary is at least £50,000.
- Employees whose salaries are £150,000 or more must also be identified by name. In addition to this requirement, local authorities must place a link on their website to these published data or place the data itself on their website, together with a list of responsibilities (for example, the services and functions they are responsible for, budget held and number of staff) and details of bonuses and 'benefits-in-kind', for all employees whose salary exceeds £50,000. Henfield Parish Council has no staff member whose salary is £50,000 or greater and therefore has no information to publish.

Henfield Parish Council does not have any employees who qualify.

SOCIAL HOUSING ASSET VALUE

Local Authorities must publish details of the value of social housing stock that is held in their Housing Revenue Account.

The following social housing stock data must be published:

- Valuation data to be listed at postal sector level
- Valuation data for the dwellings using both Existing Use Value for Social Housing and market value as at 1 April
- An explanation of the difference between tenanted sale value of dwellings within the Housing Revenue Account and their market sale value

Henfield Parish Council has no social housing stock and therefore no Housing Revenue Account.

TRADE UNION FACILITY TIME

Local Authorities must publish the following information on trade union facility time:

- Total number of staff who are union representatives.
- Total number of union representatives devoting at least 50% of their time to union duties
- Names of all trade unions represented in the local authority.
- Basic estimate of spending on unions
- Basic estimate of spending on unions as a percentage of the total pay bill.

No employees at Henfield Parish Council belong to any unions.

WASTE CONTRACTS

Local authorities must publish details of their existing waste collection contracts and must publish this information at the same time as they first publish quarterly procurement information under the Code.

• Henfield Parish Council receives an annual grant from Horsham District Council towards the cost of maintaining a team of 7 litter pickers operating within the main village area.

This is published in the year-end accounts.

• Henfield Parish Council pays Horsham District Council for a regular emptying of dog waste bins throughout the main village area.

Item	Service Provider	Amount pm	Amount pa
Emptying of dog waste bins	Horsham District Council	£95.55	£1,146.60

This is also published in the Monthly Council Expenditure Sheet when payment is made.

LOCAL LAND ASSETS HELD BY HENFIELD PARISH COUNCIL

The code requires that local authorities must publish details of all land and building assets including:

- All service and office properties occupied or controlled by user bodies, both freehold and leasehold
- Any properties occupied or run under Private Finance Initiative contracts
- Garages unless rented as part of a housing tenancy agreement
- Surplus, sublet or vacant properties
- Undeveloped land
- Serviced or temporary offices where contractual or actual occupation exceeds three months
- All future commitments, for example under an agreement to lease, from when the contractual commitment is made

For each land or building asset, the following information must be published together in one place:

- Unique Property Reference Number
- Unique asset identity
- Name of the building/land or both
- Street number(s)
- Post town
- United Kingdom postcode
- Map reference – either Ordnance Survey or ISO 6709
- Whether the local authority owns the freehold or a lease for the asset and for whichever category applies, the local authority must list all the characteristics that apply from the options given below:
